BIOFUELS - ON THE ROAD TO FUELING OUR FUTURE

County Hosts Free Seminar on Alternative Fuels February 5

(Phoenix)— Biofuel, the fossil fuel alternative made from natural, renewable sources, is the subject of a free seminar hosted by the Maricopa County Environmental Services Department and the City of Phoenix on February 5, 2002.

This half-day educational seminar will explore what biofuels are and how they can benefit the environment and industry. Nationally recognized speakers from National Renewable Energy Laboratory, World Energy Alternatives and Southern States Power Company will make presentations.

**WHO: MARICOPA COUNTY ENVIRONMENTAL SERVICES DEPARTMENT
& THE CITY OF PHOENIX**

**WHAT: BIOFUELS ROUNDUP 2: "RISING TO EXCELLENCE FOR AIR
QUALITY"**

**WHERE: SOUTH MOUNTAIN ENVIRONMENTAL EDUCATION CENTER
10409 S. CENTRAL AVENUE, PHOENIX**

**WHEN: TUESDAY, FEBRUARY 5, 2002
7:30 A.M. – 12:00 P.M.**

Registration is free. For more information, contact Maureen Lynch at (602) 506-5150 or register on-line at www.maricopa.gov/sbeap.
